

4-2a Income Statement

The income statement is prepared directly from the Adjusted Trial Balance columns of the [Exhibit 1](#) spreadsheet, beginning with fees earned of \$16,840. The expenses in the income statement in [Exhibit 2](#) are listed in order of size, beginning with the larger items. Miscellaneous expense is the last item, regardless of its amount.

Link to Zynga

On a recent income statement, [Zynga](#) reported a net income from operations of \$15.5 million.
