

4-5b Step 2. Posting Transactions to the Ledger

Periodically, the transactions recorded in the journal are posted to the accounts in the ledger. The debits and credits for each journal entry are posted to the accounts in the order in which they occur in the journal. As illustrated in [Chapters 2 and 3](#), journal entries are posted to the accounts using the following four steps:

Step 1.

The date is entered in the Date column of the account.

Step 2.

The amount is entered into the Debit or Credit column of the account.

Step 3.

The journal page number is entered in the Posting Reference column.

Step 4.

The account number is entered in the Posting Reference (Post. Ref.) column in the journal.

The journal entries for Kelly Consulting have been posted to the ledger shown in [Exhibit 18](#).
