Chapter 2 - Instruction #3

Post the journal entries completed in **Chapter 2 Part 2** to the ledgers in the spreadsheet you saved in **Chapter 2 Part 1**. When entering the Posting References, use journal page 1 for transactions from July 1-14, and use journal page 2 for transactions from July 16-31. Extend the account balance to the appropriate balance column after each posting. Be sure to save your work in the spreadsheet.
